Add additional tables as relevant

1.2 Payment for Results (if applicable)

If the Funding Request is using a Payment for Results modality to fund the NSP, provide information on the performance indicators / milestones, targets and amounts that are proposed.

Performance indicator or milestone	Target				Rationale for selection of the indicator/milestone	Amount requested	Expected outcome	Specify how the accuracy and reliability of the reported results will be ensured
	Baseline	Y1	Y2	Y3				
<i>Add rows as relevant</i>								

Countries should discuss with their country teams if they are considering the use of a Payment for Results modality as the basis of the funding request.

1.3 Rationale

- A. Describe the overall approach to how you selected and prioritized the requested interventions (or indicator/milestone if using a Payments for Results modality). Please refer to the NSP if the prioritization approach is described there.
- B. Describe the decision process for interventions selected for allocation funding versus those included in the unfunded Prioritized Above Allocation Request.

1.4 Context

- A. Indicate where information about the following key areas can be found in the NSP or other relevant documents.
