

Funding Request Form

Program Continuation

Allocation Period 2023-2025

Summary Information

Country(s)	
Component(s)	
Planned grant start date(s)	
Planned grant end date(s)	
Principal Recipient(s)	
Currency	
Allocation Funding Request Amount	
Prioritized Above Allocation Request (PAAR) Amount	
Matching Funds Request Amount (if applicable)	

Refer to the [Program Continuation Instructions](#) for the detailed elements related to each question which should be addressed for a response to be considered complete. The Instructions also include information, resources and a description of necessary documents to be submitted along with this form.

Section 1. Prioritized Request

For each module, provide information on the funding requested from the Global Fund and expected outcomes as a result of the Global Fund's investment.

Module #<Number>	<Module Name>
Intervention(s)	<Intervention Name> - Change in Programming from current grant: <input type="checkbox"/> New, <input type="checkbox"/> Scale-up, <input type="checkbox"/> Continuation, or <input type="checkbox"/> Scale-down <i>Insert new row for each intervention</i>
List of activities	
Amount requested	
Expected outcome	

Add additional tables for each module.

Section 2. Matching Funds (if applicable)

If Matching Funds were designated for the 2023-2025 allocation period:

A. Describe how integrating Matching Funds will increase the impact and improve the outcome of the allocation for the Matching Funds area.

B. Describe how programmatic and access conditions have been met.

Section 3. What has changed: updates in epidemiology context and National Policies and Strategies

Have there been any significant changes to the following:

A. Country's epidemiological context since the last funding request

Yes No

B. Normative guidance or technical approaches adopted within the national policy or strategy for the program since the last funding request

Yes No

If **Yes to either**, explain how these changes will impact the existing program.

Section 4. What has not changed: continued relevance and impact

Explain how the current program continues to be relevant and is on track to achieve results and impact.

Section 5. Strategic Focus Areas

The Global Fund has approved a new Strategy. Explain whether program design, implementation arrangements and budget need to adapt to fulfil the following Strategy objectives:

Strategy objectives	Already addressed within the current grant(s)?	If further effort/adaptation is needed in the 2023-2025 allocation period: summarize here
A. Maximize people-centered integrated systems for health	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Partially	
B. Maximize the engagement and leadership of most affected communities	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Partially	
C. Maximize health equity, gender	<input type="checkbox"/> Yes <input type="checkbox"/> No	

equality and human rights	<input type="checkbox"/> Partially	
D. Pandemic Preparedness	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Partially	
E. Sustainability Are there major challenges to the sustainability of the national response?	<input type="checkbox"/> Yes <input type="checkbox"/> No	If Yes: briefly describe the reasons for these challenges, their impact on the national responses and efforts to mitigate the impact.

F. Domestic Financing and Resource Mobilization

- i. Describe how co-financing commitments for the 2020-2022 allocation period have been realized.
- ii. Describe how co-financing will increase over the 2023-2025 allocation period, and how these commitments will be tracked and reported, and planned actions to address remaining funding gaps.

G. Program Essentials

Indicate if any of the Program Essentials are currently not fulfilled, explain why, and describe the proposed pathway to reach them in coming years.

Section 6. Implementation

Are changes needed to implementation arrangements?

- Yes No

If Yes: explain what these changes are, risks being addressed and expected improvements for the program.

Annex 1: Documents Checklist

Use the list below to verify the completeness of your application package.

This checklist only applies to applicants requested to apply using the Program Continuation application approach. Refer to the [Program Continuation Instructions](#)¹ for details, applicability and resources.
