WHAT DO PRs NEED TO DO?

¹ Also includes Lead Implementers (LIs): refer to OPN on GED for details
² Note that during the review stage the Global Fund might reject a "change request". The "change request" must then be resubmitted for another full review.
³ Spanish and French versions are courtesy translations only. External stakeholders should complete and submit the English version of this template.
⁴ Information on Signatory Rights, Notice Rights and Partner Portal Access Rights are detailed in the [Operational Policy Note \(OPN\) on Grant Entity Data](#)
⁵ Includes contacts whose rights have been reduced (e.g. removing access rights, signatory rights and or notice rights from contacts)
⁶ The initial PR contact with Access Rights is created by the Global Fund upon receipt of the Organization Information Form during the creation of a new organization
⁷ See [OPN Annex 3](#) on required supporting documents
