Updated GED reflected in Global Fund Partner Portal

The Global Fund Secretariat reviews and validates the changes.

1. Read the information displayed carefully regarding the Global Fund **Privacy Statement** and the **Partner Portal Terms** of use

Management Activities, on our website. (https://www.theglobalfund.org/en/legal/privacystatement/)

The Global Fund licenses, operates and makes available the Partner Portal (the "Portal"). The Portal may contain features including RSS feeds, e-mail alert services, cookies, document management features, data management features and other applications that may be available from time-to-time (collectively, the "Features"). Any person that accesses or uses the Portal or Features, or both (the "User" and together, the "Users") agrees to be bound by the terms and conditions of the Terms of Use of the Global Fund Partner Portal (the "Terms of Use"), as they may be amended from time-to-time (available at this link http://www.theglobalfund.org/en/partner-portal/). These Terms of Use contain important conditions, disclaimers and other provisions, some of which limit the Global Fund's liability. If you do not agree to these Terms of Use or cannot enter into a legally binding agreement, you must not access or use the Portal or any of the Features.
